SIGNATURE TOPICS

Amy loves the Word of God and is passionate about helping women identify and overcome the obstacles that keep them from opening, understanding, applying, and enjoying God's Word. As a conference speaker, Bible teacher, and Instagram influencer, Amy teaches women what it means to abide in Christ so that they can experience the joy of real friendship with Him.

- ✓ **Abiding in Christ** (what Scripture says about it and practical ways to live it out)
- ✓ **A Woman who Flourishes** (a teaching on Psalm 1 and the importance of being planted in God's Word)
- ✓ **How Bible Study can Shape a Powerful Prayer Life** (how studying prayers in the Bible make your own prayer life more effective)

"At our recent event, the participants walked away with a desire to seek to know God more, develop the spiritual discipline of spending time with Him each day and the practical tools to proceed."

-Debbie Jones, Church Life Coordinator,
Barlett Baptist Church, Bartlett, TN

AMY'S WRITING & SPEAKING HAS BEEN FEATURED ON:

SHE READS TRUTH

Amy is a wife, mom, and "Gigi" who has been a believer most of her life, but only started reading her Bible regularly about 10 years ago!

As a result, she discovered a deeper, more REAL relationship with Christ that has profoundly impacted her life! Amy's excitement about knowing God more personally through studying His Word led her to start sharing prayer tips and Bible study notes from her own quiet time on Instagram and amazingly, **God** has grown her social media following to more than 50,000 people from all over the world! Her passion is to encourage women to know friendship with God as they prioritize time with Him in His Word each day.
